**BUILDING THE HEART OF A CHURCH**

The growth of a Church doesn’t come from the nature of its programs, or having the right methods, terminology or even being relevant to its culture. It doesn’t even come from having the right churchmanship, traditions, or lack of tradition. The growth of any Church comes from its “HEART.”

Beloved, I pray that in all respects you may prosper and be in health, just as your soul prospers (1 John 3:2).

Watch over your heart with all diligence, for from it flow the springs (issues) of life (Proverbs 4:23).

The good man out of the good treasure in our hearts we might produce good.

God bless you
Ps Andrew

**Thomas Crilly - Standing on the Shoulders of Giants**

Last year Thomas asked us whether we would be willing to have our photo taken so he could translate them into caricatures for his Year 12 School Project.

As a result he presented two caricatures - one of his father Ian and the other of Ps Andrew - at the School exhibition at the end of last year.

The effect was impressive. The explanation was humbling - his reasons, witness and work was viewed by many of his peers and their families.

“As I sat with her in a dark room, listening to her cry out of pain and regret, I thought about the life she had before her, and it didn’t matter what was behind her all that mattered was that she would be safe and know that she was valuable” - RF Volunteer

Each year Red Frogs continues to offer a voice of hope to a young generation that needs support and a helping hand in their time of need.

This year’s Annual Gala Dinner will be extra special as we are celebrating ‘20 Years’ of the Frog. Join us for a memorable night featuring a special 20 year documentary, a two course meal and beverages as well as live entertainment.

Thank you for all your support and I hope you are able to make it for this special event.
